TETRIS.

SIZZLER

From the blasted plains beyond the Urals comes the most remarkable computer game yet. The same minds that produce chess champions have developed a cunning game that deceives through its simplicity.

Tetris a new world from Russia

Tetris a totally original concept in gaming

Tetris addiction is just a game away

Play Tetris

"What we have is one of the all-time computer classics... Tetris is addictive-unbelievably addicitive – and it holds your attention and keeps you coming back for more... I can't quite put my finger on what makes it so incredibly addictive, but one thing's for sure – its perfectly simple and simply perfect." **Zzap 64**
